

# TOYS10

**OVER \$50,000 IN PRIZES!**

Toro Premium 252cc OHV 4-cycle engine, 26" clearing width & up to 40' throwing distance The Power Max 826 OE with Toro Premium 252cc OHV 4-cycle engine provides proven power and performance to make your job easier in tough winter conditions. The innovative Quick Stick® control allows you to quickly and easily change chute direction AND chute deflector with a single, smooth motion. Convenient one-hand levers allow single-handed operation freeing the other hand to change speeds or the chute control without stopping.

A breakthrough in snow blowing technology, the exclusive Anti-Clogging System meters snow intake to prevent clogging and maximize clearing efficiency. The Heavy-Duty Auger Gearbox has special oversized hardened gears and shafts designed to withstand extreme stress, virtually eliminating the need for shear pins.
